

## Sponsor a Child for our Summer School Program

We are excited to be offering our 2017 La Maestra Summer Youth Program. It is open to students entering 1st through 9th grade and compliments our other programs under the Foundation such as La Maestra After School Program and Art Courses.

The Youth Summer Program is a component of La Maestra Generations. The Generations Program is supported through the La Maestra Foundation. Children participate in activities led by trained, dedicated and caring Youth Instructors that will guide children through our core program areas: Academics, Positive School Work Habits, Fitness, Leadership, Exploration, and the Arts. La Maestra operates with generous support from individuals, businesses, foundations, families, and other sources. Because of this support, we can offer excellent programs with quality experienced staff at reduced costs.

Please know that your child isn't just joining a program, but a family! We are dedicated to ensuring our community's young people have greater access to quality programs and services that provide joy, hope, and opportunities for the future.

Many of our youth come from low income families. The program is for 8 weeks at \$45 per week. To sponsor a child whose family does not have the ability to pay only costs **\$360.00** total for the Summer School Program per child. Your sponsorship donation is tax-deductible. Share the joy of sponsoring a child.

Sincerely,
